Self-Experience I in partner-work

Partner A:

Please read the Introduction of the Motivated Strategies for Learning Questionnaire Manual (p.4-8) and focus on these questions:

- What is the text about?
- What are you already learning about what makes learning successful?

Time: 10 minutes

Note: Please say everything you are thinking out loud.

Partner B:

Please observe your partner and note, what she/he is saying about her working process (questions, descriptions, what she/he is going to do etc. ...

Do not note information about the content)

If you want, you can make supportive suggestions.

Results of the Self-Experience I

Partner A:

- How was the learning experience? How do you feel?
- results on the questions:
 - *What is the text about?*
 - *What are you already learning about what makes learning successful?*

Partner B:

- What did write down and what did you noticed about your partners' working and learning process?
- What kind of strategies did she/he use to solve the task?
(2-3 examples)
